

APU

VIRTUAL

MINI UNIVERSITY PROGRAM

**FOR HIGH SCHOOL STUDENTS
(GRADE 10 AND ABOVE)**

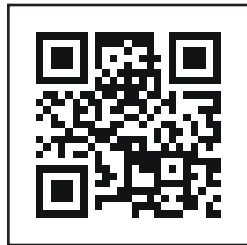

Shape your world

Ritsumeikan Asia Pacific University

APU invites you to join us in this series of twelve sessions, where professors will explore various facets of culture, society and business, and how they affect your world. In addition to having a virtual university experience, you will also be able to communicate and interact with fellow students from around the world and discuss global issues in interactive break-out sessions.

Through this program, we offer you the chance to deepen your multicultural understanding through intercultural communication, while traversing through a variety of themes, with the intent that you will be able to enrich society at large. There are many ways to contribute to the global community. How will you do your part?
