Evaluation points

- Your overseas experience and its results. Think carefully about how living and receiving an education outside of Japan has helped you grow. Think about how you will use your experience after entering APU.
- If you have obtained qualifications in the language used in the country or region where you lived, be sure to appeal them.

Recommended for:

Those who are confident that they have achieved significant growth through their study and living experience in a country or region with a different language and culture from that of Japan.

Those who have completed at least two years of education outside of Japan at a school based on the formal education system.

Those who wish to make use of their study and living experience in a country or region with a different language and culture from that of Japan to enhance their studies and extracurricular activities after entering the university.
